

Toray Group is an integrated chemical industry group aiming to be a global top company in advanced materials based on the firm belief that, “as the foundation of products, materials have the power to bring about fundamental transformations in society.”

“Innovation by Chemistry”

We are constantly striving to create new value in each of our businesses—

Fibers & Textiles, Performance Chemicals, Carbon Fiber Composite Materials, Environment & Engineering, and Life Science—which are all founded on our core technologies: organic synthetic chemistry, polymer chemistry, biotechnology, and nanotechnology.

CORPORATE PHILOSOPHY

Contributing to society through the creation of new value with innovative ideas, technologies and products

CORPORATE MISSIONS

For our customers	To provide new value to our customers through high-quality products and superior services
For our employees	To provide our employees with opportunities for self development in a challenging environment
For our stockholders	To provide our stockholders with dependable and trustworthy management
For society	To establish ties and develop mutual trust as a responsible corporate citizen
