Atsuko Mizoguchi, Satoshi Kondou, Yoriko Tobiishi

Observer Masaaki Takezawa

Absent member: None

Decision:

- Fifty seven research was registered as Research Involving Human Biological Subjects in fiscal year 2023. The Ethics Review Committee carefully evaluated all research based on the results of inspection by the Committee's secretariats and confirmed that all research was performed properly. Based the above decision, the Ethics Review Committee on Research Involving Human Biological Subjects submitted the evaluation report to the Ethics Committee on Research Involving Human Biological Subjects.
- Forty eight new research was applied as Research Involving Human Biological Subjects in fiscal year 2024. The Ethics Review Committee carefully evaluated them from the ethical point of view and approved all of them. Based on the above decision, the Ethics Review Committee on Research Involving Human Biological Subjects submitted the review report to the Ethics Committee on Research Involving Human Biological Subjects.
